

Foster Care Program Responsibilities of Providers and Program

- Must be at least 21 years of age and be solely responsible for the care, welfare, safety and security of the foster animal(s).
- Must complete the SNUGGLE Foster Care Application.
- Must either own the home with the animal(s) will be fostered or have written approval if the home is being rented.
- Must be the property owner or renter listed on lease.
- Must have the approval of all roommates should this apply. Must agree to have all roommates interviewed by a representative of SNUGGLE.
- Must have a smoke-free home. Smoking can be done outside.
- Must be a cannabis free home to include cannabis gummies, unless medically prescribed. All smoking must be done away from the fostered animals.
- Must consent to the home where the animal(s) will be fostered being inspected by a representative of SNUGGLE.
- Must reside within the greater St. Louis area to ensure quick travel to our partner emergency clinics and veterinary practices.
- Must agree to foster exclusively for SNUGGLE when caring for one of the organization's animals.
